FlexiLine Fine Ribbed Matting Datasheet

Product Code: RC04164

Product Description

Our FlexiLine fine ribbed matting provides a practical and cost efficient alternative to standard rubber work mats. As the name suggests, this matting solution features a fine ribbed design that enables it to provide excellent anti-slip properties in a variety of applications. This product has a thickness of 2mm and is available in 1m x 25m rolls.
