

## Neoprene Sponge Strip 25mm x 10mm

Product Code: RC1101-CR-25X10

### Measurements:

| Height | Width |
|--------|-------|
| 10mm   | 25mm  |

## Material Specification

| Properties                           | Values                      |
|--------------------------------------|-----------------------------|
| Composition                          | Neoprene Sponge (CR)        |
| Density                              | 110 - 130 kg/m <sup>3</sup> |
| Hardness (Shore 00)                  | 40° - 45°                   |
| Tensile Strength                     | 7.4 kg/cm <sup>2</sup>      |
| Elongation at Break                  | >200%                       |
| Compressive Deflection 25%           | 40 Kpa                      |
| Water Absorption                     | < 5% Vol                    |
| Flame Resistance (FMVSS302 UL94 HF1) | Self Extinguishing          |
| Working Temperature Range            | -26° C                      |
| Environmental Protection             | CFC & HCFC free             |
