

Medium Duty Suction & Delivery Hose Datasheet

Product Code: RC07200

Product Description

Our medium duty suction & delivery hose is manufactured from polyvinyl chloride (PVC), and reinforced with an integrated PVC spiral for shock resistance. The corrugated PVC cover provides excellent resistance to most oxidising and reducing agents, diluted acids, and diluted alkalis. This hose is designed for the conveyance of water, salt water, light chemicals, sludge, and slurry, particularly in agricultural and industrial applications.

**Colour:**

Olive green, white spiral

Resistance:Abrasion, shock, crushing,
chemical, ozone**Temperature Range:**

-10°C to +55°C

Safety Factor:

3:1 at 20°C
